## THE VILLAS UPDATE

Fellow Homeowners,

Bad News!

The Commercial property next door decided to not renew the parking agreement that gave us 9 dedicated spaces. The agreement was terminated last Sunday. One of the reasons they gave for not renewing was too many cars from this complex failing to display the parking permits in their windshield.

We have given permission for the 9 permit holders to park in The Villas, temporarily, to allow time to find other arrangements. The termination of the agreement doesn't affect the people parking cars there without a permit.

That was and is a "take your chances" situation.

The parking rules (that we all agreed to) will be enforced by AMC Management. Please, no resident parking in the guest spaces. Parking for residents in their garages only.

If anyone has a spare space in their garage and is willing to share with a neighbor, (for free or fee) please contact me.

Donna St. Peter is moving away from The Villas. Only as far as Lincoln though.

I'd like to take this opportunity to thank Donna on behalf of all owners for all the volunteer work she has preformed for this Community. Besides being a great neighbor, Donna spent years on the Board in all capacities, including President and Chair of the Landscape Committee. She gave many hours over many years. We can't thank you enough, Donna. Enjoy your new home.

See you all September 17 at our next Board meeting.
