THE VILLAS UPDATE

Fellow Homeowners,

Hope you all had a good Holiday Season and are enjoying a Happy New Year. Thanks again to Board member Kaye Dal Bon and her Committee for the beautiful entry area decorations.

The gutter and downspout cleaning was completed mid-January. PLEASE monitor your roof drain system during the next few storms to make sure it's working properly. The work is under warranty so the cleaning company will come back and fix anything not working correctly. Please let me know of any problems right away. 916-798-3105 or edlb369@gmail.com.

It's also time to remind everyone to drain any standing water after each

storm to keep mosquitos from breeding. Those of you renting their units, please ask your tenants to do the same.

Nothing new to report regarding the parking situation, other than to tell you the next-door commercial property owner was asked to reconsider us using their lot (as in the past but adding payment) and they declined.

See you all March 17 at our next Board meeting.
